

Parents/Teaching Staff Meetings – Middle- & High School (Collège & Lycée)

Start of 2026–2027 School Year

Parents-Teaching Staff Meetings

In September, meetings are held between teaching staff and parents. These meetings, led by the head teacher, are essential because they provide an opportunity to establish initial contact with families and to share information and advice regarding the school year's schedule for each grade level.

The entire teaching staff is present to ensure that the information provided is as comprehensive and complete as possible. The meeting schedule and room assignments are listed below:
